Subject: Response to EPA (Sheldrake) regarding the Gasco BOD Work Plan

Dear Sean,

Thank you for providing comments to NW Natural's Gasco BOD Workplan. As I believe you are aware, this Workplan was developed by NW Natural without seeking or allowing input from Siltronic. Nonetheless, per your October 18, 2017, letter, Siltronic's team is willing to meet with you to go over these comments. (b) (6) [REDACTED], but our team could call into a meeting this week, depending on the availability of your team and the Siltronic's team members, if you would like. I will be in the office next Monday and Tuesday and could call you then. Or I can be available to meet in Seattle next Wednesday or Thursday.

Best regards,

Myron Burr
Siltronic Corporation
